

Awana Bible Quiz

The Objectives for Bible Quiz according to Awana in the Official Rules and Regulations are:

- 📖 To promote and encourage our clubbers in Bible memorization and review their handbooks
- 📖 To provide a competitive atmosphere in which Awana clubbers can show their Bible knowledge.
- 📖 To give clubbers a greater love for, and working knowledge of the Bible.
- 📖 To proclaim God's grace and salvation to Parents and friends so they can accept Christ as savior.

Awana Handbook sections covered:

- T&T[®] Start Zone[®], **Book 1**: Discovery 1-4 verses, definitions, questions, answers search sties.
- T&T[®] **Book 2**: Discovery 1-4, **Books 3, 4** Challenges 1-4, verses, definitions, Q&A, search sites..

The Bible Quiz format consists of two main types of questions:

Multiple Choice Quiz - These 10 Questions are asked with 3 possible answers given, and the kids pick their answers and then put up the appropriate letter A, B, or C paddle for their answers. Each answer is worth 10 points. They give us the average of the best 2 out of 3 kids total points. So, having an alternate in this portion is essential.

Speed Quiz - Questions are asked of 2 team members per Handbook. When the question is asked the clubber may click on the buzzer to ring in before the Quiz Master finishes the question as long as the child finishes the intent of the question after answering. The clubber has 15 seconds to start their answer and 60 seconds to complete it. Correct answers are 10 points each. And if the child answers 3 questions correct and answered all the Multiple Choice questions correctly they get an extra bonus and may sit down - this is called "Quizing Out". However if the child answers a question wrong they subtract 5 points from the team. If the child answers 2 wrong answers, they are not allowed to answer any other questions and asked to sit out. The first person to click on the hand switch is determined by an Electronic sensor..

Teams consist of 2 main and one alternate grouped by book: **Red, Blue, Green, Yellow** (recite word perfect).
