

T&T Ultimate Challenge Club for fifth, and sixth grade: walking in a relationship with Christ!

Ministering to fifth and sixth graders: guiding them through the crossroads

Awana® Clubs™ was founded to reach kids right where they were. Throughout its 60-year history, the ministry has partnered with the local church to meet the cultural challenges of reaching kids for Christ. Today, kids in these tween years (10-12) face cultural pressures, time demands and digital distractions unimaginable to previous generations. Kids in Truth & Training® are not immune. Never has the pressure been greater to conform to the world around them, and never has the world been more successful in pulling them away from faith in God's Word.

The restructuring of Truth & Training into a program comprised of two clubs, and the refinements to handbooks, uniforms and awards, are designed to develop an identity for fifth- and sixth-graders that promotes stronger commitment, community and growth in the club. They also purpose to focus the attention of T&T™ leaders on the unique needs and challenges of this age group. Nothing is more important for these young lives than relationship with Jesus Christ. Helping them stay plugged in to T&T can go a long way to helping kids live their lives in the grace of Christ and in the knowledge of His Word.

Building bridges, not ladders

Clubbers in fifth grade - whether veteran clubbers or new to Awana - will start in the T&T Ultimate Challenge™ Club. Leaders can use Ultimate Challenge to help tweens bridge the gap between children's ministry and youth ministry.

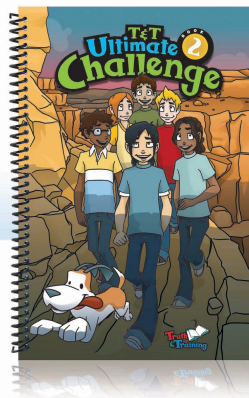

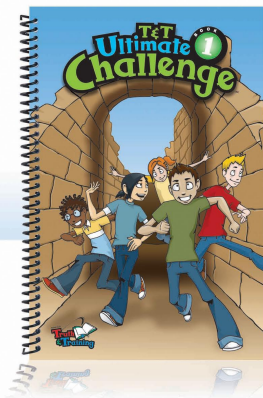

New clubbers will complete a new, Ultimate Challenge edition of *Start Zone* before proceeding to *T&T Ultimate Challenge Book One*. Challengers will grow in knowledge of God and His Word, His Son and the Holy Spirit (Truth). Then they will apply what they learn to relationships in family and friendship, resulting in spiritual growth and a deeper appreciation for their destiny in the Lord – His reason for making them and what He has planned for their lives (Training).

Parts of the T&T Ultimate Challenge:

- T&T Ultimate Challenge Start Zone (for fifth graders or new to Awana sixth graders)
- Updated Spiral bound clubber handbooks (see below)
- Sports jersey-style uniform
- Separate uniform award system that lets clubbers personalize their jerseys with patches
