

Approved Workmen Are Not Ashamed

COVID-19 T&T update

Per Ventura County Health Department suggestions, schools and church children's clubs are currently not allowed to meet on campus inside a building. So, at CCC to fully comply with local regulations during the first half of the year **September through January** the following locations for club will take effect:

Trek (middle school), and Journey (Sr. High) older youth clubs will be meeting on the CCC campus outside, Cubbies, Sparks, and **Truth & Training** parents run **at home** (per Stay at home - following local school policy).

New this year CCC clubs are helping parents and children keep interest, feel a sense of community, and provide social connections! Each younger club now has a **Facebook** website where Directors are placing information about each club, and I will be attaching a large group Bible lesson video made by Awana for the current handbook section weekly (book sections listed on the theme calendar on the back). Parents can record video of clubbers reciting the memory verse, or just post saying Hi to their Team Leader, and Club Director, friends on the CCC T&T Facebook site.

Also new this year, when clubs are at home (estimate till January), Thursday night every month will be a special **drive in party** to give awards, candy, and provide community time. Also, you can have a picture taken with your Leader, Director, friends, parents, etc. Your child will receive team awards, and patches earned, and recite that week's memory verse to the Team Leader or Director at this event.

Per your T&T Director to shorten study time during the week, clubbers are only **required** to do these book parts:

- **Start Here:** Draw or write answer in the top box,
- **Explore:** Find reference, answer question assigned by Director email,
- **Memorize:** Explain, repeat, memorize, and recite verse to Team Leader.

During the week, after helping your child read and understand the **comic** introduction, it will also help your child to earn a monthly prize if you help them prepare and study for **extra credit points** (below, and on Parent Info booklet):

Optional: extra points for Team toy (most points on team / month)

- ❖ **Start Here:** "optional" draw/write answer in bottom box
- ❖ **Explore:** Answer all questions,
- ❖ **Review:** verse (last week's verse),
- ❖ **Silver:** all answers filled in (double points),
- ❖ **Gold:** verses recited at one time (double points),

In order to help your child, Parents/Guardians need to study the handbook with their child during the previous weekend and/or week **before** the Team Leaders call. Your Club Director will email weekly the required Explore question to answer, and some helps. Preparing ahead of club day will help in the future when we meet in small groups at our church campus. Children should be prepared to recite the memory verse with only two helps (1-2 words), and an lesson question answer to share, so their Team Leader has time for group prayer, and clubber sharing.
